Dear Ms. Marini:

In your Freedom of Information Act (FOIA) inquiry dated May 24, 2010, you asked for a listing of location addresses as well as latitude/longitude for all the facilities included in the Annual Transuranic Inventory Report.

We have done a complete search of the Carlsbad Field Office (CBFO) records and have not located any document that contains the latitude/longitude for all the facilities included in the Annual Transuranic Waste Inventory Report.

The addresses for the facilities the Annual Transuranic Waste Inventory Report identifies under Table ES-1. *WIPP CH-TRU Waste Inventory by Site* and Table ES-2. *WIPP RH-TRU Waste Inventory by Site* should be available at <http://phonebook.doe.gov> under the following listings: "Operations, Field and Site Offices" and "National Laboratories and Technology Centers."

No fees will be charged to you in association with the processing of this FOIA request.

If you have any questions or need additional assistance regarding this FOIA request, please contact Ms. Sharon Warren-Briggs, FOIA contact person, at (575) 234-7406 or sharon.warren.briggs@wipp.ws. Please reference FOIA 10-008 in any correspondence regarding this request.

Sincerely,
