WIPP UPDATE: April 11, 2014

DOE installing additional air sampling units

Nuclear Waste Partnership is working with DOE to add additional air sampling units near several area communities. New units were recently installed at Hobbs, Eunice, Artesia and Loving. Four additional air samplers were also installed on the WIPP site.

For complete WIPP recovery environmental monitoring results, please click [here](#) or type http://www.wipp.energy.gov/wipprecovery/sampling_results.html in your browser. In addition, environmental sampling results are available annually in the WIPP Annual Site Environmental Report.
