WIPP UPDATE: June 4, 2014

WIPP updates to be published twice a week

WIPP recovery efforts are maintaining a steady pace; however, long-term activities are underway that are not as conducive to daily updates. The Department remains committed to transparency, and it is making this change to ensure updates remain meaningful and informative for stakeholders. Updates will now be provided every Tuesday and Friday, or more often if timely news arises.

Community meetings scheduled

June 5 – The City of Carlsbad and DOE will co-host its weekly meeting featuring updates on WIPP recovery activities. The meeting is scheduled Thursday at 5:30 p.m. Location: Carlsbad City Council Chambers, 101 N. Halagueno Street. Live streaming of the weekly meetings can be seen at <http://new.livestream.com/rrv/>.
