## **Joint Information Center Activated At the Waste Isolation Pilot Plant**

**CARLSBAD, N.M., 8/4/2015 9:36 PM (MDT)** – The Joint Information Center (JIC) has been activated at the Skeen-Whitlock Building located at 4021 National Parks Highway. The activation occurred as a precautionary measure due to elevated radiological readings at the WIPP. More information will be provided as it becomes available.

The JIC was activated to provide emergency public information. For updated information, members of the public can call (575) 234-7380. The news media telephone number is (575) 234-7305. Updates will also be provided on Twitter @WIPPNEWS.
