

## Sources Sought Notice

### Waste Isolation Pilot Plant Fleet Fueling Facility

Nuclear Waste Partnership LLC (NWP) is publishing this SOURCES SOUGHT NOTICE for all business classifications, e.g. large business, 8(a) small businesses, and small disadvantaged businesses. The purpose of this sources sought notice is to determine the interest of available contractors for the **Construction of a Fleet Fueling Facility** at the Waste Isolation Pilot Plant (WIPP), located approximately 32-miles east of Carlsbad, New Mexico. This synopsis is for information and planning purposes and is not to be construed as a commitment. Interested parties should send a capabilities statement to [carol.glusic@wipp.ws](mailto:carol.glusic@wipp.ws) prior to **November 01, 2021**.

**PLEASE NOTE THAT THIS IS NOT A REQUEST FOR PROPOSAL; NO SOLICITATION EXISTS AT THIS TIME.**

NWP intends to release a Request for Proposal (RFP), release date pending, whereby the proposed award (an anticipated Firm-Fixed-Price subcontract) will be made to the lowest priced technically acceptable and responsible Offeror that complies with all the technical requirements, delivery date(s), and the general terms and conditions of the RFP, providing the proposal is reasonable and in the opinion of NWP, is in the best interest of NWP and the Government.

#### **Synopsis of the work to be performed is as follows:**

- Construct a cast-in-place reinforced concrete pad.
- Supply and install three (3) diesel and one (1) gasoline aboveground 1,000 gallon fuel storage tanks, fuel dispensing systems, and all associated appurtenances.
- Install electrical distribution panel, emergency shut-off, and supply to each fueling system.
- Install emergency telephone and public address system compatible with existing WIPP systems.
- Install area lighting.
- Install perimeter fencing with access gates.

Estimated Solicitation Issuance Date: **4<sup>th</sup> Quarter, 2021**

Estimated Proposal Due Date: **4<sup>th</sup> Quarter, 2021**

The subcontract duration will be from actual date of award through NWP's final acceptance of the work performed as set forth in the selected subcontractor's accepted schedule.

Estimated price is between **\$500,000** and **\$1,000,000**.

All responding firms are requested to identify their firm's size and type of business according to their North American Industrial Classification System (NAICS) code. This acquisition is under NAICS Code 238290 – Other Building Equipment Contractors. Teaming arrangements and joint ventures will be considered for any subsequent procurement based on NWP's market research.

Interested parties should contact Carol Glusic at [carol.glusic@wipp.ws](mailto:carol.glusic@wipp.ws) or (575) 628-5888 for initial preview of the SOW and specifications (if any/available). Your review and feedback of those documents is appreciated.
