

SOURCES SOUGHT - FINANCIAL STAFF AUGMENTATION SERVICES

Nuclear Waste Partnership LLC (NWP) is conducting a Market Survey to determine availability and technical capability of qualified companies to provide professional services of experienced Financial Professionals to support the NWP at the DOE Waste Isolation Pilot Plant (WIPP) Site. Sources are sought for staff augmentation services, to include preparation of EVMS data, cost and schedule analysis data, and project cost estimates. The places of performance will be NWP offices in Carlsbad, NM or the WIPP Site; 33 miles east of Carlsbad, NM.

This is anticipated to be a Small Business Set-Aside under NAICS Codes 561320, Temporary Help Services.

This Sources Sought is for information and planning purposes and is not to be construed as a commitment.

PLEASE NOTE THAT THIS IS NOT A REQUEST FOR PROPOSAL. NO SOLICITATION EXISTS AT THIS TIME.

NWP anticipates awarding one or more Indefinite Delivery / Indefinite Quantity subcontract(s) with a 12-month Base Period and 4, 12-month Option Periods following a Best Value competition.

Please email a statement of your capabilities to provide these services. Your outline of capabilities is required no later than 4:00 PM MST, Monday, March 22, 2021, to the following:
